

## Expat Tax Senior - Dublin

Our client is a leading professional services firm seeking to bolster their Human Resources Tax team.

Ideally we're seeking recently qualified (within the last 18 months) or part qualified ITI professionals. It is essential that candidates have experience across compliance and consultancy relating to international assignees of multinationals.

### Some Responsibilities include:

#### Compliance work

- Preparation and review of Irish tax returns for assignees of multinational clients.
- Preparation and review of annual SCS PRSI returns.
- Preparation and review of Irish tax returns for high net-worth self-assessed taxpayers.

#### Consultancy work

- Advice to self-assessed Irish taxpayers
- PAYE health checks & compliance reviews.
- Completing Revenue Audits including negotiating settlements with Irish Revenue.
- Employment tax planning.

All communication and correspondence is treated in strict confidence.
