Tax Manager - Financial Services Practice Top 10

The Role

One of Dublin's leading Top 10 practices is looking to hire an experienced Financial Services Tax Manager. The role will involve an initial six month secondment to the US on a specialised project before returning to the Dublin office. The role will suit an ambitious tax professional looking to gain international exposure and join a growing practice with excellent opportunities for career advancement.

The Candidate

The ideal candidate should be Big 4 qualified in Financial Services with an excellent academic record. Experience in dealing with US tax issues and knowledge of FIN 48 is an advantage.

The Client

Our client is a leading international Top 10 practice based in Dublin.

Remuneration

A competitive salary is on offer for the successful candidate.
