Educating, Developing & Representing

**Irish Taxation
Institute**

Irish Taxation Institute

The Irish Taxation Institute (ITI) is the leading representative body for taxation affairs in Ireland. Our membership comprises Registered Tax Consultants, accountants, barristers, lawyers, and other corporate and business professionals. Our mission is to support an efficient, fair and competitive tax system that promotes an understanding of and expertise in taxation and encourages economic and social progress. Our 6,500 members work with corporate leaders, Government, state agencies, representative groups, professional organisations and the general public.

Through our membership of the Confédération Fiscale Européenne, we monitor and influence legislation and tax policy developments in the EU and internationally. For over 40 years, ITI has been Ireland's foremost provider of Registered Tax Consultants through our three-year (AITI) and one-year (TMITI) tax qualification courses. Our professional development programme provides continued education, appropriate advice, tax specific seminars and other support services for members. This ensures Registered Tax Consultants remain professionally competent throughout their working lives. Through our nationwide branch network and comprehensive committee structure, our members are actively involved in developing and advancing research on taxation, economic and social policy. Drawing on this expert team, ITI produces a comprehensive suite of taxation publications covering the full range of tax topics.

ITI is governed by a 21-member Council made up of senior business executives and managed by a dynamic executive team.
